The New North High School Brick Drive

North High School Alumni Association

Help us build a courtyard, one brick at a time. With your own personalized engraved brick, you can literally be a part of the new North High School.

The North High School Alumni Association was established to raise much needed funds to provide scholarships for deserving students, and to supplement or support various school related projects, materials and equipment needs, school trips and athletic or academic functions. To date, the group has awarded grants to eighteen students for their achievements in academics, athletics, or the arts, and also funded requests to support more than a dozen activities and groups.

Help us build the future

You can help us "pave the way" to the future for the new North High School by pledging a personal paving brick that will be used as part of the school's courtyard. Your support in this project will guaranty continued assistance to the s
Students and activities of NHS andestablish a lasting recognition and presence for the Alumni Association. For more information please call:
